

Sylglas™ Clear Weatherproofing Tape

A translucent self-adhesive tape for sealing overlap joints in glass or clear plastic sheeting.

Roll Size: 50mm x 6m

Product Information

Sylglas™ Clear Weatherproofing Tape can be used around the home and garden to help repair cracks in glass or plastic sheeting, sealing them with a weather-resistant seal that prevents the ingress of water and dirt. The tape is also UV-stable; it will not crack or discolour when exposed to sunlight, making it the ideal solution for use both indoors and outdoors.

Benefits

- UV resistant
- Easy to apply
- Non-hardening and non-rotting

Suitable for

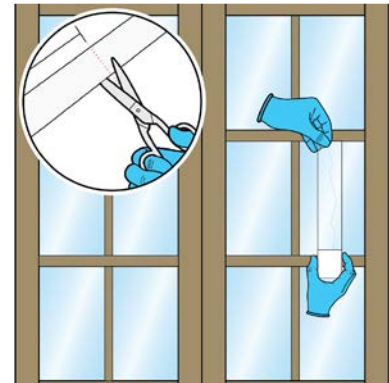

- Sealing cracked panes of glass
- Repairing and joining polythene cloches
- Sealing overlaps on plastic roofing sheets
