

Syglas™ Original Waterproofing Tape

A self-adhesive waterproofing tape suitable for a wide range of uses around the home and garden.

Roll Size: 50 / 75 / 100mm x 6m

Product Information

Syglas™ Original Waterproofing Tape is a multi-use, cold applied tape which remains flexible over a wide temperature range. This easy-to-apply, self-adhesive tape is extremely conformable and can be laid in strips (e.g. to line gutters) or wrapped spirally (e.g. around standpipes to protect against corrosion, as a glazing bar tape, to waterproof rainwater down pipes or as a gutter repair tape) to provide an effective sealing, waterproofing and rustproofing barrier.

Benefits

- Easy to apply
- High tack
- Non-hardening and non-rotting
- Resistant to water, acids, alkali and salts

Suitable for

- Sealing exposed glazing bars on conservatories, greenhouses and cold frames
- Sealing and repairing gutters and downpipes
- Protecting metal substrates located above ground, including garden tools, against rusting

Purchasing

Syglas™ products are distributed exclusively in the UK by Rustins, and can be purchased from high street retailers and DIY shops, or online through the Rustins Amazon store.
